CHARLES-TOWN, (S. Carolina,) August 26.

On the 11th Instant a large Ship was seen on Fire a few Leagues off Cape Florida, thought to be from Jamaica, with Rum, &c. and continued burning till next Morning, when the Master of the Vessel, who brings us the Intelligence, conjectures she must have gone down, as he could see no more of her. Several other Ships were in Company with, or in Sight of her.

ANNAPOLIS, September 26.

On Saturday last, his Excellency's Brother, Captain Thomas Eden, set out for England by Way of Philadelphia and New York; to which last mentioned City he was to accompany the Hon. Mrs. Eden and Miss Darby.

On Sunday Richard Bennet Lloyd, Esq; also set out for New-York, to go from thence in the October Packet to England.

His Excellency the Earl of Dunmore, Governor of Virginia, is said to have gone down the Eastern Shore last Week in his Way to that Province.

A Snow belonging to Baltimore, is seized below Smith's Point by the Boston's Tender.

On Monday last the Hon. Daniel of St. Thomas Jenifer, and the Hon. Col. Plater, were sworn in Members of his Lordship's Council of State.

On the 23d of July died in Bermudas, for which Island he had embarked on the 13th of June, in order to make Trial of a Change of Air, John Morton Jordan, Esq; some Time Agent for the Lord Proprietary of this Province.

The flying Gout, which during Six Years had, at different Times, fallen with the most excruciating Violence on every other Part of his Frame, at length seized his Bowels, and put a Period to his painful Existence.

In a Situation which would have overwhelmed most Men, even the firmest, with Melancholy and Despair, his Mind maintained itself erect and unbroken even to a Degree of Vivacity, not to be credited but by those to whom a stricter Intimacy afforded more frequent Opportunities of contemplating and admiring his Fortitude.

He was a Man of rigid Honour, indulgent and noble in the Discharge of his domestic Offices, of a strong natural Capacity, of enlarged Notions in and thorough Acquaintance with Business. In his Friendships he was cordial and disinterested. In his Enmities it must be confessed that he was warm, but he was likewise masculine, frank and generous. Had not the unceasing Assaults of a merciless Disease triumphed over the Delicacy of his Constitution, it is highly probable that this City the Place of his Residence in particular, and the whole Province in general, would have derived very many important and permanent Benefits from the Activity of that enterprising Temper, the Sallies of which, even when he was on the Brink of the Grave, often filled his Friends with Astonishment.

He left behind him a Wife and Son, to mingle their Tears with those of his Relations and sincere Friends. His Fortune is on good Grounds reputed to be very considerable.

His Excellency the Governor has been pleased to appoint and commissionate Daniel of St. Thomas Jenifer, Esq; to be Agent and Receiver General in this Province, in the Room of John Morton Jordan, Esq; deceased.

On Tuesday the Jeckey Club Purse of 100 Guineas was run for over the Course near this City.
